SUBJECT: Civil Complaint, FOIA/PA 2

DATE: 10/30/2019 12:19:59 PM

FACTS

- 1) The United States Department of Defense, Office of the Inspector General (DOD/IG) is an agency of the Federal Government and is subject to the Freedom of Information Act (FOIA) and the Privacy Act (PA).
- 2) In August of 2019, the Complainant made a FOIA/PA request to the DOD/IG, the case was assigned number 19-F-1855 by the Defense Department Freedom of Information Division and forwarded directly to the DOD/IG on or before September 13, 2019. In violation of the Freedom of Information Act and Privacy Act the DOD/IG was NOT provided any records whatsoever to the injury of the undersigned Complainant. [Exhibit A herewith].
- 3) The Complainant was extradited from Mexico in December 2010, pursuant to a 158 page order of extradition. While imprisoned in Mexican Federal Prison as the behest of the United States, the Complainant was physically tortured by Mexican officials with the full knowledge and upon orders of U.S. officials, with, at minimum, the knowledge and acquiescence of U.S. DOD/IG officials while working in their official capacity. The DOD/IG is withholding records that confirm exactly this.
- 4) The Defendant is in default of the statutory requirements of the FOIA/PA causing damage to the Complainant in his business and property.

Relief Requested

5) The Complainant seeks the Defendant's provision of all records consistent with the FOIA/PA request submitted and with all rights reserved any and all other relief accorded by the Constitution, laws and treaties of the United States of America. I, the undersigned hereby certify under penalty of perjury the foregoing true.
